

ISRAEL - November 2018

Past - Present - Future

Montanans Serving Initiative

Hosted by Easthaven Baptist Church in partnership with HOPE FOR ISRAEL

Join us on this unique trip that will lift you out of the typical commercialized tour of the Holy Land, and allow yourself to **learn** from the PAST, **engage** with the people of the PRESENT, and **see** firsthand the stage of the FUTURE!

You will travel across Israel with a small group from Montana on this private 10-day adventure that combines time in Jerusalem where the Temple once stood, a dip in the Dead Sea near the hideout David used when running from King Saul, time in Galilee and Capernaum where Jesus lived with His disciples, a climb atop Mt. Carmel surveying the Jezreel valley, and stand on the beaches of the Mediterranean in Caesarea Maritima and so much more.

Israel is a dynamic country with a diverse population of Jews, Arabs, Druze, and others. We seek to serve all people groups with the love of Yeshua! Join us as we build bridges in the Lord and bring the hope of Messiah back to Israel!
